TOWN OF EASTON
DEPARTMENT OF PUBLIC WORKS

CONTRACTOR APPLICATION
SNOW PLOWING AND REMOVAL
2015-2016 WINTER SEASON

David J. Field, P.E.
Director of Public Works
Contractor and Operator Responsibilities

Hired contractor equipment will work solely for the Town of Easton as directed. Equipment and operators provided must be able to perform all tasks assigned to them in an acceptable amount of time, as determined by the Director of Public Works. For longer storm duration, the contractor shall rotate fresh operators into the equipment as necessary, to ensure a safe and efficient operation. The equipment must arrive for each and every call well maintained and in good working order. No rubber cutting edges will be allowed. The ability to provide uninterrupted service for the duration of an event is essential. Valid insurance, registration, inspection and licensing for each vehicle and operator must be maintained at all times. The Town of Easton reserves the right to inspect any participating vehicle at any time to verify suitable condition. This inspection may include a review of insurance, license, inspection and registration documents.

Vehicle operators must report to the Highway Dispatch Office to punch in and out for each event. There are no exceptions to this policy! Failure to comply may result in forfeiture of payment. All breakdowns or equipment failures must be reported to the Highway Dispatch Office during a storm event. No payments shall accrue during extended equipment failures or breakdowns. Operators leaving their assignments without first notifying their supervisor will be paid for verifiable hours worked and may be released from the program.

* By signing this application, contractors give consent to allow for tracking devices to be installed and/or carried in the vehicle for the duration of the snowplowing event. Contractor shall be issued (1) GPS/AVL unit per vehicle. Contractor is required to provide a DC/Cigarette Lighter adapter for the purposes of powering the unit. Contractor must allow the unit to be temporarily mounted in the cab of the vehicle during snow and ice operations.

*Contractors are required to have Workers Compensation listed on their insurance certificate.

*Contractors must supply the Town with a valid registration for each piece of equipment.

*Deadline for submitting applications is October 23, 2015.

*Equipment selected for the 2015-2016 winter season must be report for a mandatory vehicle inspection on or before Saturday, November 5, 2015 between the hours of 8:00 AM and 12:00 noon. Contractors that cannot make the November 5th inspection date may arrange for an inspection prior to November 5th. Plows do not need to be mounted for the inspection. All equipment will be fitted for the GPS/AVL units at the time of inspection. Vehicles that report for inspection on or before November 5th will receive four (4) hours of compensation at the vehicle rate of pay with two (2) hours paid after the inspection and two (2) hours paid after the first storm event.

For additional information, contact the Department of Public Works at (508) 230-0800.
