## Frequently asked questions

### Can I put extra recycling items next to my container?

Please make sure recyclable items are contained in the cart. Any items outside the recycling cart will not

be collected. Make sure to have 3-4 feet between carts to enable the truck arm to grab the containers.

If you have more recyclables than can fit in the recycling cart, you may purchase an additional recycling cart for a one-time fee of \$45.00. Please call the town at (508) 230-0888.

### What do I do with bulky items that won't fit into the trash cart?

Four weeks during each calendar year as noted on the inside calendar, you can take advantage of one

bulky item collected free of charge. Any other week, you can call and schedule a pick-up. Simply

call Waste Management at (800) 972-4545 to schedule a pick-up for a fee of \$30.75 - fee subject

to change. You could also use The Bagster coupon offer in this guide to dispose of multiple bulk items.

### Why is there an additional fee to collect bulky items?

To keep costs down for everyone, bulky item collection was not included in the base fee since most

residents will use this service only occasionally. We encourage you to donate old furniture and other

bulk items whenever possible.

### What should I do if I have a problem with my new cart?

If properly handled the cart will last for many years. If you experience a problem with your cart

(broken wheel, lid, etc.), please contact Jan Jacobson with the Town of Easton at (508) 230-0888.

### I'm planning to clean out the garage and have a lot of refuse to get rid of right away.

#### Where will I be able dispose of it?

You can take advantage of the free bulky item collection as noted in the calendar, or Waste

Management's The Bagster may be another solution. You can buy The Bagster at any Home Depot,

Lowe's or other local hardware stores for \$29.99. Fill the Bagster, then call the Waste Management

number on the package to have the Bagster collected.

Please go to TheBagster.com to see more on The Bagster and how much collection is in your area.

*See inside for a \$10 off coupon for the collection of your bag special for Easton residents!*

**IMPORTANT INFORMATION INSIDE**  
about your Waste and Recycling Services

**Town of Easton**  
Waste and Recycling  
Collection Services

Dear Easton Resident:

Waste Management would like to take this opportunity to provide you with updated information related to waste and recycling services in the Town of Easton. We look forward to helping Easton be as clean and green as possible!

**If you have any questions or need more information, please contact:**

**Department of Public Works: (508) 230-0888**

**Town website: [www.Easton.ma.us](http://www.Easton.ma.us)**

**Waste Management: (800) 972-4545**

Thank you and we appreciate your cooperation.

Sincerely,

Waste Management

### Schedule

Trash and recycling will be collected weekly. All materials should be placed at the curb by 7:00 a.m. on your collection day. A 2016 calendar with important dates is included in this guide.

### Trash

All regular household refuse must be bagged and placed in the GREEN LID cart only for collection. Material may not be sticking out of the cart.

**Note: Do NOT place recyclables in your GREEN LID cart.**

The following items are not considered household refuse and will NOT be collected:

- Dirt, sod, concrete or rock
- Construction/demolition debris
- Household hazardous waste
- Hot ashes or flammable materials such as oil, gas or paint

If you occasionally have more trash than will fit in your cart, you can purchase

Town of Easton trash bags that can be put out with your trash cart. Bags are available in packets of 5 for \$15. ONLY official town bags will be collected outside of the cart.

You can buy Town of Easton trash bags at:

**Fernandes Lumber, 299 Depot Street  
Hannaford's Supermarket, 25 Robert Drive**

**Roche Bros. Supermarket, 25 Washington Street  
Shaw's Supermarket, 699 Depot Street**

You may also check [www.Easton.ma.us](http://www.Easton.ma.us) for an updated list of stores selling approved trash bags.

If you regularly have more trash than will fit in your cart, you can order a second 64-gallon trash cart by calling the Department of Public Works (508-230-0888). The additional cost for a second cart is \$90 per year.

**THINK GREEN.®**

### Recycling

Each resident has a 96-gallon, YELLOW LID cart for recycling. Recycling not only conserves precious natural resources, but also helps to reduce costs by decreasing the amount of materials that go to the landfill. Please see the next panel to see what materials are acceptable for recycling.

Recycling containers should be placed at the curb weekly on the same day as your regular trash collection. **Leave 3 feet between your solid waste and recycling carts when placing them at the curb to allow the truck to collect both easily.**

### Tips for the best service

Care and use of your cart:

- Always keep the lid closed to keep rain, snow and animals out.
- Clean your cart periodically.
- Since automated waste collection requires clearance for the vehicle's lifting mechanism, any cars parked at the curb should be at least 5 feet from the trash cart.

As noted above, the placement of your carts is very important to allow space for the collection vehicle's lifting arm. To be safe, leave 3 feet on both sides of the carts and 12 feet overhead.

The carts should be no more than 3 feet away from the road's edge, with the arrow facing the road and the hinges facing away from the street.

When Easton residents use **Recycle Often. Recycle Right<sup>SM</sup>**, great things happen. By recycling everyday items like those shown below, tons of raw materials, time, energy and money are saved. Plus the recycled materials become new products – if you recycle an aluminum can today, it could be back on the shelf as a new one in 60 days – and the cycle continues.

- Use your yellow-lid cart for weekly recycling.
- No sorting is needed.
- Do not put recyclables in plastic bags.
- Containers that held food should be rinsed and free of food debris

**Recycling is collected weekly on the same day as garbage, but at different times of the day.**

The following items may be recycled:

#### Always recycle:

**Plastic Bottles & Containers**

**Food & Beverage Cans**

**Paper**

**Flattened Cardboard & Paperboard**

**Food & Beverage Cartons**

**Glass Bottles & Containers**

#### Do NOT include in your mixed recycling cart:

**NO Food Waste**  
(Compost instead!)

**NO Plastic Bags & Film**  
(Find a recycling site at [plasticfilmrecycling.org](http://plasticfilmrecycling.org))

**NO Foam Cups & Containers**  
(Check [Earth911.org](http://Earth911.org) for options.)

**NO Needles**

(Keep medical waste out of recycling. Place in safe disposal containers like Waste Management's MedWaste Tracker® box.)
